UK's Atlantic gateway.

Maintenance Operator

Falmouth Harbour Commissioners are celebrating their 150th year of managing the 3rd deepest natural harbour in the world. Strategically placed on the UK's Western approaches the port has a bright future as one of the premier ports on the south coast of the UK.

Falmouth Harbour Commissioners are seeking a positive, driven and committed individual to undertake the role of Maintenance Operator. The role offers interesting and varied work including:

- Maintenance of Harbour Moorings and Navigation marks.
- Maintenance of Harbour Craft, Infrastructure and Assets.
- Crew and Operate Harbour Craft.

A qualification for operating marine craft is desirable but full training will be provided. Candidates should have at least 4 GCSE's including Maths and English.

The successful candidate will be a self-starter, capable of working alone with limited supervision and as part of a team. Candidates should ideally have at least 3 years' experience in an industrial maintenance related post. This is a diverse role, and we will consider candidates from a range of backgrounds.

This is a full-time post with a salary scale of £19,649 to £24,604.

To apply, please contact:

Mr Tim Jones (Assistant Harbour Master)
Falmouth Harbour Commissioners,
44 Arwenack St,
Falmouth,
TR11 3JQ
