

Port Health Authority Medical Declaration of Health

20 October 2014

Vessel operators' and agents' attention is drawn to the following:

The Port Health Authority has requested that all vessels return a completed medical declaration of health in good time, where possible at least 48 hours before arrival. They wish to receive the declaration from all vessels including vessels coming from another UK port.

We have agreed to amend the PNF form to act as a reminder to all vessels particularly those who are not using the services of an agent.

A copy of the amended PNF form is attached

A handwritten signature in black ink, appearing to be 'Duncan Paul', written over the text 'Thank you for your cooperation.'.

Thank you for your cooperation.
