

Falmouth Harbour  
Commissioners

**PORT NOTICE TO MARINERS**

**NO. 08 OF 2020**

**Compliance with COVID-19 Measures**

**NOTICE IS HEREBY GIVEN** that restrictions have been introduced for recreational craft owners following the implementation of the Government control measures on 23<sup>rd</sup> March 2020.

The use of recreational craft is not considered an essential activity and therefore operators of facilities such as pontoons, moorings and slipways should keep these closed to recreational craft so far as is possible until the current measures are rescinded.

Skippers of recreational vessels arriving from abroad and putting into Falmouth Harbour out of necessity should make contact with their intended berth provider prior to entry into the harbour and comply with their instructions in respect of submitting health declarations and taking the necessary distancing measures after arrival.

Operation of facilities in support of commercial craft are not affected by the current measures.
