PORT NOTICE TO MARINERS

NO. 18 OF 2019

FABTEST SITE CARDINAL BUOY RECOVERY

NOTICE IS HEREBY GIVEN that the recovery operation of the four cardinal buoys that marked the wave energy device located on the FAB Test Site in position $50^{\circ} 06'.273N$, $004^{\circ} 59'.639W$ is scheduled to begin on Saturday 3rd August 2019 by the Seawide Services barge Reclaim and dive support vessel Boy Brendan, which will both be listening on VHF ch 16.

(© UKHO Not for navigation)

All mariners are requested to pass well clear of the area at slow speed during the recovery.

This notice will be cancelled on completion of operations which are expected to be complete on Sunday 4th August with a contingency of completing on Monday 5th August 2019.
